

Fly * Lights *

This performance is made for theatre, but can be simplified for touring alternativ venues. Shadowplay is part of the storyline so we prefer to be able to blackout the venue.

WE BRING:

Lightdesk with showfile and 2 proplights for scenography by bed.

Trapeze-stand if needed.

WE NEED:

24 ch dimmer

3 parcan 1000W

1 floorcan 1000W

4 sunstrip

2 LEDpar RGB

10 fresnels 750W (1 with spigot)

5 profiles ETC zoom junior

5 multicable

5 longe DMX

5 short DMX

Powercables of different lenght

10 meter trusse

6 manfrotto windup

Clamps for attaching truss to 3 windups

2 bom for windups

3 floorstands

3 molton to cover windups upstage

The parts marked in red is only needed if truss is not available in the ceiling.

Travelling is one actor, one musician, one technician and producer.
